George Junior Republic, 1920

[Litchfield, CT]

March 1, 1920.

The George Junior Republic,

Litchfield, Conn.

Dear Sirs:-

We should very much like to have for the collection of our Museum, a set of the money which is used in your Republic, and I am writing to ask whether it would be possible for you to present a set. As you doubtless know, we have coins of all kinds in our collection, and the experiment which this coinage of yours records is of great interest to us. I hope that you will be able to give our request favorable consideration.

Yours very truly,

Secretary
